Safety instructions

- WARNING! DANGER TO LIFE AND RISK OF ACCIDENT FOR INFANTS AND CHILDREN!** Never leave children unsupervised with the packing material due to the suffocation hazard posed by swallowing parts thereof. Children frequently underestimate the dangers.

- Always keep the product away from children. This product is not a toy!
- This product is not intended to be used by persons (including children) with impaired physical, sensory or mental capacity, or lacking experience or knowledge unless supervised by a person responsible for their safety. Please note, damages caused by incorrect handling, non-compliance with the operating instructions or interference with the device by unauthorised individuals are excluded.
- Never take the product apart. Improper repairs may result in considerable danger to the user. Repairs should only be carried out by specialist personnel. The LED lights are not replaceable.
- WARNING! RISK OF LOSS OF LIFE AND ACCIDENT!** Using the incorrect charger may cause the headlight [6] to be damaged, overheat or even explode. Doing so will void the warranty.

- Failure to observe this notice may result in deep charging the batteries. This poses a risk of leaking. If the batteries have leaked inside the product, please remove them immediately to prevent product damage!
- Avoid contact with the skin, eyes and mucous membranes if fluid has leaked from the batteries/rechargeable battery. In the event of contact with battery acid, thoroughly flush the affected area with clean water and seek immediate medical attention.
- Never recharge single-use batteries! Explosion hazard!
- Note:** If the red rechargeable battery/battery control light [5] [13] on the headlight [6] or the tail light [14] lights up, please replace the batteries or recharge the rechargeable batteries immediately.
- Please note, once the battery indicator lights up, the lights no longer comply with the Road Traffic Act.

- Tighten and hook in the rubber tab [11]
- Loosen the retaining screw [15] on the bracket [9] and adjust to the desired angle.
- Then tighten the screw. Tighten the screw hand tight. To prevent damage, do not use tools for this step.
- Slide the tail light [14] into the bracket [9] until you hear it lock into place.
- To release the tail light [14], pull down on the tail light lock [10] and slide off the tail light [14].

Inserting batteries into the tail light (see Fig. D)

- Slide the battery cover [16] off to the back.
- Insert the batteries into the tail light (2 x AAA 1.5V). Ensure the correct polarity.
- Then reassemble the light.

Indledning

Hjerteligt tillykke med købet af deres nye apparat. Dermed har De besluttet Dem for et førsteklases produkt. Betjeningsvejledningen er en bestanddel af dette produkt. Den indeholder vigtige henvisninger i forbindelse med sikkerhed, montage og bortskaffelse. Gør Dem fortløftlig med alle betjenings- og sikkerhedshenvisninger inden første brug af produktet. Brug kun produktet som beskrevet og kun til de dertil oplyste formål. Udlever alle dokumenter, når produktet gives videre til tredjemand.

Formålsbestemt anvendelse

Produktet er egnet til kørebanebelysning i forbindelse med cykling. LED-cykellygtesættet er tilladt til alle cykler som eneste belysning. Lysfordelingen må ikke forhindres gennem andre cykel- eller bagagedele. Produktet er beregnet til udendørs brug. En anden anvendelse end før beskrevet eller en ændring af produktet er ikke tilladt og kan føre til skader og beskadigelser af produktet. For skader, som er opstået i forbindelse med u hensigtsmæssig anvendelse overtager producenten ikke nogen hæftelse. Produktet må ikke anvendes til erhvervs mæssige formål.

rechargeable battery, thus the headlight. Doing so will void the warranty.

- The headlight [6] has a battery indicator. If the indicator lights up red, the rechargeable batteries are drained. The indicator will light up green whilst charging. When the rechargeable batteries are ready to be used again, the indicator will extinguish and you can use the headlight [6].
- For the included rechargeable batteries to operate at full power, please do not charge the battery for less than 10 hours the first time. Please do not stop charging sooner, even if the LED is already extinguished. After this, a charging time of approx. 3.5 hours is recommended for rechargeable batteries with 1300mAh.

Cleaning and Care

- Never fully immerse the lights. Do not use corrosive or abrasive cleaning agents. Doing so will damage the lights.
- Clean the LED bicycle light set with a slightly damp, lint-free cloth.

Disposal

The packaging is made of environmentally friendly materials, which may be disposed of through your local recycling facilities.

Contact your local refuse disposal authority for more details on how to dispose of your worn-out product.

To help protect the environment, please dispose of the product properly, not without household waste, when it has reached the end of its useful life. Please contact your local authority for information on collection points and their opening hours.

Defective or used batteries/rechargeable batteries must be recycled according to 2006/66/EC and its amendments. Return batteries/rechargeable batteries and/or the appliance using the recycling facilities provided.

Environmental damage due to incorrect battery/rechargeable battery disposal!

Never dispose of batteries/rechargeable batteries in your household waste. They may contain toxic heavy metals and are subject to hazardous waste regulations. The chemical symbols of the heavy metals are: Cd = cadmium, Hg = mercury, Pb = lead. Therefore, dispose of used batteries/rechargeable batteries through your local collection site.

Improper battery disposal destroys valuable resources and the hazardous substances in the batteries may pose a significant danger to the health and environment. Separate collection/disposal of old batteries prevents dangers to the health and environment, and valuable resources regained by recycling.

Warranty

Dear customer, This device is covered by a 3-year warranty from the date of purchase. In the event of product defects, you have legal rights against the retailer of this product. Your statutory rights are not limited in any way by our warranty detailed below.

Warranty terms

The warranty period begins on the date of purchase. Please retain the original receipt safely. This documentation is required as the proof of purchase. Should a defect in material or manufacture occur within three years from the date of purchase of this product, we will repair or replace - at our choice - it free of charge. This warranty is conditional on the defective device and the receipt of purchase being presented within the three year warranty period, and that there is a brief written description of the nature of the defect and of the date it arose. If the defect is covered by our warranty, you will receive the repaired product or a replacement. A repair or exchange of the device does not extend a new warranty period. The warranty period will not be extended by repairs made under warranty. This also applies to replaced and repaired parts. Any damage or defects

present at the time of purchase must be reported immediately after unpacking. Repairs made after the expiration of the warranty period are subject to payment.

Extent of warranty

The device was manufactured to strict quality guidelines and diligently inspected prior to shipment. The warranty applies to defects in material or manufacture. This warranty does not apply to product parts subject to regular wear and therefore considered wear parts or damage to fragile parts, e.g. switches, rechargeable batteries, or made from glass. This warranty becomes void if the device has been damaged or improperly used or maintained. Proper use of the product requires strictly observing all instructions for use. Purposes and practices which the operating instructions warn of or advise against must be avoided without fail. This product is only intended for private, non-commercial use. Any incorrect or improper use of the device, use of force and changes not performed by our authorized service branch will void the warranty. Please follow the instructions below to ensure your claim is processed quickly:

- Please have your receipt and the product number ready as your proof of purchase.
- Please refer to the type plate or the cover sheet of these instructions for the product number.
- In the event of malfunctions or other defects, please first contact the following service department by phone or e-mail.
- A product determined defective may then be returned to the specified service address free of charge, including the proof of purchase (receipt) and information about the defect and when it occurred.
- Please note, the service department must be notified before returning the product!
